Ball Corporation Names Director, FP&A

BOULDER—January 3, 2011. White Lake Partners is pleased to announce that its client, Ball Corporation, has appointed Robert Kim as Director, Financial Planning and Analysis – Metal Beverage Packaging.

Mr. Kim most recently served as Director, Financial Planning and Analysis with Belden Americas Group, responsible for strategic finance initiatives on a global basis. He was promoted into this role after having served as Director, Accounting with the organization. Previously, Mr. Kim progressed through multiple Analyst roles providing securities research at A.G. Edwards & Sons. Mr. Kim began his career with Ernst & Young, and has also held international accounting and reporting roles with Emerson Electric. He earned his MBA with a concentration in Finance from Washington University, and achieved his BS, Accountancy, from the University of Illinois.

One of Fortune's "Most Admired Companies," Ball Corporation is an \$8 billion global packaging and aerospace technologies manufacturer. Publicly-held (NYSE: BLL), Ball manufactures metal and plastic packaging for beverages, food and household products, and delivers aerospace technologies and services to commercial and governmental customers.
