Dover Pump Solutions Group Appoints VP, Sales for Asia Pacific

BOULDER–November 1, 2010. White Lake Partners is pleased to announce that its client, Dover Pump Solutions Group (PSG), has appointed a Vice President, Sales over the Asia Pacific region. To complete this assignment, White Lake Partners collaborated with a firm covering the Greater China region that brought domain expertise and an understanding of the local talent landscape. As a result, David Wang was identified and selected to join Dover PSG.

Mr. Wang most recently served as General Manager over the SPX Flow Technology Segment within SPX Corporation. Based in Shanghai, he had full P&L responsibility for greater China and successfully doubled business in the region over the course of three years. Prior to this, he served as the Chief Representative, China/USA for Tenaris/Exiros, a global manufacturing and services organization. Mr. Wang earned his MBA from Carnegie Mellon University and a BS, Cell Biology from Wuhan University.

A unit of Dover Corporation and part of its Fluid Management segment, Dover PSG encompasses some of the largest and best known pump companies in the world. Dover Corporation is a publicly traded, well regarded global manufacturing concern with revenues in 2009 of nearly \$6 billion. Learn more at www.doverpsg.com.
