Norris Production Solutions Appoints Vice President of Sales & Operations for Latin America

COLORADO–August 15, 2012. White Lake Partners is pleased to announce that its client, Norris Production Solutions, has appointed Fernando Hualde as Vice President of Sales & Operations for Latin America.

Fernando spent the majority of his career with Weatherford International where most recently he served as the Director, Artificial Lift Systems – Latin America. In this role, Fernando expanded Weatherford’s Artificial Lift Systems knowledge in Brazil, Colombia and Mexico. He managed all business operations for the Latin America Region while implementing business strategies that rendered sustainable growth. Fernando earned his Master of International Business Administration from Bournemouth University and Bachelor of Science in Mechanical Engineering from the Universidad Simon Bolivar.

With Fernando’s specific product and region experience, NPS feels Fernando is an ideal choice to their lead the growth of their artificial lift platform throughout Latin America.

Norris Production Solutions is a Dover Corporation operating unit based in the Woodlands, TX. NPS provides integrated solutions across the artificial lift spectrum for the oil & gas industry, delivering the latest technologies, innovations and solutions in rod lifts, plunger lifts, well site controls, analytic tools and customer-centric training and educational programs.
