### Hillphoenix Case Division Appoints Director of Human Resources

COLORADO– August 26, 2013. White Lake Partners is pleased to announce that its client, Hillphoenix Case Division, has appointed Janell Schmidt as Director of Human Resources.

Janell will be responsible for leadership development and implementation of organization-wide policies and programs encompassing all aspects of human resource management for the business. Janell has 14 years of progressive HR experience, mainly spent with Eaton Corporation. Her breadth and depth within HR is extensive having been responsible for employee relations, talent management, performance management, organizational design, and training & development. Janell joined Eaton Corporation in 2000 where she held seven different HR roles with increasing responsibility. In her last role with Eaton, Janell was the Division Human Resources Manager for the Industrial Sector, Hydraulics Group for a \$300M, 1200 person international division.

After serving in the U.S. Army for four years, Janell received her Bachelor of Science in Human Resources Management from Upper Iowa University. Janell later received her Master of Business Administration in Organizational/Industrial Psychology from the University of North Carolina.

Hillphoenix, with over \$1B in annual revenue, is the leading designer and manufacturer of refrigeration and electrical equipment sold primarily to the supermarket industry. In addition, the company sells its refrigeration products to dollar and convenience store customers and its electrical products to a variety of general retail outlets. Products include refrigeration systems, display cases, walk-in coolers and freezers, electrical distribution products, and engineering services. Hillphoenix, headquartered in Conyers, GA, is part of Dover's Engineered Solutions Group, a group of 14 companies with revenues in excess of \$3B. Dover is headquartered in Downers Grove, Illinois and employs 35,000 people worldwide. Dover Corporation is traded on the New York Stock Exchange under "DOV."
