Norris Production Solutions Appoints Senior Vice President, Geo-Market Operations

COLORADO—February 15, 2012. White Lake Partners is pleased to announce that its client, Norris Production Solutions (NPS), has appointed Paul Mahoney as Senior Vice President, Geo-Market Operations.

Paul most recently served as a Vice President/General Manager for the Analyzers & Solutions segment within Rosemount Analytical Process Automation, a division of Emerson Electric. Paul joined Emerson in 1993 and, during his time with the company, he held a variety of global leadership roles in sales, marketing, operations and general management. In his most recent role, Paul had full P&L responsibility for products, solutions/system integration, and aftermarket services for the Analyzers & Solutions segment. Paul earned his Master of Business Administration from Seattle University and Bachelor of Science in Physics & Electric Engineering from Buffalo State University.

Norris Production Solutions is a Dover Corporation operating unit based in the Woodlands, TX. NPS provides integrated solutions across the artificial lift spectrum for the oil & gas industry, delivering the latest technologies, innovations and solutions in rod lifts, plunger lifts, well site controls, analytic tools and customer-centric training and educational programs.
